

JCI London 2019 Council

Roles & Responsibilities:

Community Action Director

Focus of the role:

Champion the UN Sustainable Development Goals (SDGs) and the JCI Active Citizens Framework (ACF) to identify key problems and solutions to impact the London community

Opportunities to step up:

- Identify the key needs of the London community and develop a strategy for high-impact community projects
- Network with external organisations in London (e.g. other NGOs, London Chamber of Commerce) to seek out projects and collaboration opportunities for the chamber
- Oversee the Ten Outstanding Young Persons and Investing in Young Persons programmes for JCI London
- Lead the Active Citizen Experience (ACE) initiative for JCI London – logging and recognizing voluntary hours undertaken by members within and external to JCI
- Liaise with the JCI UK Community Action Director

Skills developed:

- Networking and relationship management
- Community engagement
- Project management
- Communication and public speaking
